On that basis, the Company will grant warrants to the Employee on the terms set out in this Warrant Agreement on the grant of warrants.

A warrant is a right – but not an obligation – to subscribe for shares in the Company at a later point in time at a pre-determined price.

The Warrant Agreement contains the information required by Section 3 of the Danish Share Option Act. Thus, the Warrant Agreement shall be regarded as containing the employer's declaration.

Grant of warrants

The Employee is hereby invited to participate in the Company's warrant programme for employees.

On [date] (the "Date of Grant") the Employee is granted [number] warrants ("Warrants") that vest in accordance with the below section 4.

The grant of Warrants in accordance with section 2.2 is conditional upon the Employee being in a non-terminated position in the Company on the Date of Grant.

- 2.4 Medarbejderens underskrift på Warrantaftalen udgør en tegning af samtlige Warrants, der tildeles i henhold til Warrantaftalen.

The Employee's signing of this Warrant Agreement constitutes a subscription for all Warrants granted in accordance with the Warrant Agreement.

3 Udnyttelseskurs

Exercise price

- 3.1 Hver Warrant giver ret til tegning af én (1) kapitalandel á nominelt DKK 1 kr. i Selskabet mod betaling af en kontant udnyttelsespris på DKK [•]. per kapitalandel ("**Udnyttelsesprisen**").

Each Warrant entitles the Employee to subscribe for one (1) share of nominally DKK 1 in the Company against cash payment of a subscription price of DKK [•] per share (the "**Exercise Price**").

The grant of Warrants shall not be subject to any consideration payable by the Employee.

4 Vesting af warrants

Vesting of warrants

- 4.1 De tildelte Warrants er ved tildelingen ikke optjente (uvestede).

Upon issue of the Warrants, the Warrants are unvested.

- 4.2 De tildelte Warrants optjenes (vestes) lineært med 1/60 pr. måned fra Tildelingsdatoen.

The granted Warrants vests linearly with 1/60 pr. Month from the Date of Grant.

- 4.3 For optjeningen (vestingen) skal det gælde at:

For the vesting, the following shall apply:

- a) At den første månedlige optjening (vesting) af Warrants sker den 1. i den kalendermåned, der kommer efter Tildelingsdatoen og herefter sker optjening (vesting) hver den 1. i en kalendermåned (hver en "**Vestingdato**");

- a) The first monthly vesting of Warrants occurs on the first day of the calendar month following the Date of Grant and hereafter vesting occurs on the first day of each calendar month (each a "**Vesting Date**");

- b) At samtlige Tildelte Warrants er optjent på 5-årsdagen for Tildelingsdatoen for Warrantaftalen ("**Optjeningsperioden**") således at den sidste Vestingdato om nødvendigt flyttes til 5-årsdagen for Tildelingsdatoen; og

- b) all Granted Warrants will be fully vested on the 5-year anniversary of Date of Grant (the "**Vesting Period**") so that the last Vesting Date is on the 5-year anniversary of the Date of Grant, if needed; and

- c) the ongoing monthly vesting shall be rounded down to the nearest whole number of Warrants, and the difference is added to the last month of vesting.

- 4.4 Vesting af Warrants i overensstemmelse med punkt 4 er i alle tilfælde betinget af, at Medarbejderen er i uopsagt stilling i Selskabet på hver Vestingdato.

The vesting of Warrants in accordance with section 4 is in any case conditional upon the Employee being in a non-terminated position in the Company at each of the Vesting Dates.

5 Ordinær udnyttelse af warrants

Ordinary exercise of warrants

- 5.1 Medarbejderen har ret til at udnytte optjente (vestede) Warrants i hver juni måned i en periode, der starter på 5-årsdagen for Tildelingsdatoen og slutter på 8-årsdagen for Tildelingsdatoen ("Udnyttelsesperioden").

The employee has the right to exercise vested Warrants in the calendar month of June in a period that starts on the 5-year anniversary of the Date of Grant and ends on the 8-year anniversary of Date of Grant (the "Exercise Period").

- 5.2 Retten til at udnytte vestede Warrants kan udøves helt eller delvist i Udnyttelsesperioden. Dog vil alle ikke-udnyttede Warrants bortfalde uden yderligere varsel, hvis Medarbejderen vælger kun at udnytte en del af sine vestede Warrants eller hvis Medarbejderen ikke har udnyttet sine Warrants ved udløbet af Udnyttelsesperioden.

The right to exercise vested Warrants can be fully or partially utilized during the exercise period. However, all unexercised Warrants will expire and become void without any further notice if the Employee chooses to only exercise a portion of its vested Warrants or if the Employee has not exercised its Warrants upon expire of the Exercise Period.

- 5.3 Udnyttelse af Warrants sker ved Selskabets modtagelse af skriftlig meddelelse fra Medarbejderen om udnyttelse senest den sidste dag i Udnyttelsesperioden.

Warrants are exercised by the Company's receipt of a written notice from the Employee of exercise no later than the last day the Exercise Period.

- 5.4 Udnyttelsesprisen forfalder til betaling fem hverdage efter, at Selskabet har modtaget skriftligt meddelelse om udnyttelsen på en af Selskabet anvist konto. Ved forsinket betaling forbeholder Selskabet sig retten til at anse den pågældende udnyttelse for opgivet.

The Exercise Price is due for payment five business days after the Company has received written notice of the exercise to a bank account specified by the Company. In case of late payment, the Company reserves the right to regard the exercise as waived.

6 Ekstraordinær udnyttelse af warrants

Extraordinary exercise of warrants

- 6.1 Medarbejderen kan udnytte sine Warrants ekstraordinært tilfælde af Exit i overensstemmelse med dette punkt 6.

In the event of an Exit, the Employee may exercise its Warrants extraordinarily in accordance with this clause 6.

6.2 "Exit" omfatter udtømmende følgende situationer:

- (a) Overdragelse af alle eller i det væsentligste alle kapitalandelene og/eller stemmerne i Selskabet til tredjemand, herunder overdragelse af kapitalandele, hvorved Selskabets eksisterende kapitalejere indskyder deres kapitalandele mod helt eller delvist vederlag i form af kapitalandele i et andet selskab.
- (b) Overdragelse af Selskabets aktiviteter, herunder et salg af alle eller en væsentlig del af Selskabets aktiver, eller salg af alle eller en væsentlig del af Selskabets immaterielle rettigheder (herunder licensering, der kan sidestilles med salg).
- (c) Optagelse af Selskabets kapitalandele til handel på et reguleret marked.
- (d) Indgåelse af en partnerskabs- eller joint venture-aftale, der indeholder bestemmelse om partneres fremtidige overtagelse af Selskabet.
- (e) Selskabets fusion hvorved Selskabet er det ophørende selskab.
- (f) Solvent likvidation af Selskabet.

6.3 I tilfælde af gennemførelse af et Exit kan alle Warrants (uagtet om disse er optjente eller ikke er optjente) udnyttes, i det omfang at de relevante Warrants ikke på anden måde er bortfaldet i medfør af Warrantaftalen. Warrant der ikke udnyttes i forbindelse med et Exit bortfalder uden yderligere varsel eller kompensation.

"Exit" covers exhaustively the following situations:

- (a) The transfer of all or substantially all of the shares and/or the votes in the Company to a third party, including a transfer of shares whereby the Company's existing shareholders contribute their shares against full or partial consideration by way of shares in another company.
- (b) The transfer of the Company's activities, including a sale of all or a material part of the Company's assets or all or a material part of the Company's intellectual property rights (including licensing of the Company's intellectual property rights which can be considered equal to a sale).
- (c) An initial public offering of the Company's shares on a regulated market.
- (d) Entering into a partnership or joint venture agreement stipulating a future acquisition of the Company by the partner.
- (e) A merger involving the Company whereby the Company is the discontinuing company.
- (g) Solvent liquidation of the Company.

All Warrants (vested as well as unvested) can be exercised in the event of the completion of an Exit occurring before the expiry of the last day of the Ordinary Window to the extent that the Warrants have not lapsed pursuant to this Warrant Agreement. Warrants not exercised in connection with the completion of an Exit shall automatically lapse without notice or compensation.

6.4 Bestyrelsen skal informere Medarbejderen om et forestående Exit senest 15 hverdage forud for den påtænkte gennemførelse af Exit ("**Exit-meddelelse**"). Exit-meddelelsen skal indeholde oplysninger om til hvilken bankkonto Udnyttelsesprisen skal betales og proceduren for indbetaling, herunder frister for betaling.

The board of directors must inform the Employee in writing of any contemplated Exit no later than 15 business days prior to the expected closing date of the Exit (the "**Exit Notice**"). The Exit Notice shall provide details of the bank account to which the Exercise Price shall be paid and the procedure for payment of the exercise price including relevant deadlines for payment.

6.5 Selskabet har ret – men ikke pligt - til at købe/kontantafregne Medarbejderens Warrants eller de kapitalandele, som Medarbejderen har tegnet på baggrund af Warrants i forbindelse med et Exit. Købesummen for kapitalandelene fastsættes til en pris, der modsvarer Selskabets værdiansættelse ved det pågældende Exit. Selskabet har ligeledes ret til at forlange, at Medarbejderen i tilfælde af et sådant Exit medsælger eller på anden måde overdrager alle sine Warrants eller kapitalandele til denne samme værdiansættelse til en tredjemand.

The Company has a right – but not an obligation - to purchase (or cash settle) the Employee's Warrants or shares which the Employee has subscribed for through exercise of Warrants both in connection with an Exit. The purchase price for the shares shall be fixed to a price corresponding to the Company's valuation at the said Exit. Likewise, in case of an Exit, the Company has a right to demand that the Employee sells or transfers all of the Employee's Warrants or shares to a third party at the same valuation.

6.6 I det omfang, at Medarbejderen har udnyttet sine Warrants ekstraordinært og det påtænkte Exit alligevel ikke bliver gennemført kan Selskabets bestyrelse se bort fra Medarbejderens udnyttelse (herunder at foretage tilbagebetaling af udnyttelsesprisen) indtil det tidspunkt, hvor Selskabet har registreret den til udnyttelsen af Warrants tilhørende kapitalforhøjelse hos Erhvervsstyrelsen.

To the extent that Employee has exercised its Warrants extraordinarily and the intended Exit is not consummated, the board of directors of the Company may disregard (including by repayment of the Exercise Price) the Employee's exercise until such point in time where the capital increase appertaining to the exercise of warrants has been registered with the Danish Business Authority.

7 Ophør af ansættelsesforhold

Termination of employment

7.1 Hvis Medarbejderens ansættelsesforhold i selskabet ophører i et scenarie, hvor Medarbejderen anses som Good Leaver (som defineret i dette punkt 7.1) har Medarbejderen ret til at beholde Warrants, som er optjente (vestede) på ophørsdatoen for Medarbejderens ansættelse.

If the Employee's employment with the Company ceases in a scenario where the Employee is considered a Good Leaver (as defined in this clause 7.1), the Employee shall have the right to keep any Warrants that have vested at the end date of the Employee's employment.

Medarbejderen skal anses som "**Good Leaver**" i følgende situationer:

The Employee shall be considered a "**Good Leaver**" in the following events:

(a) Hvor Medarbejderens ansættelse i Selskabet ophører uden at ophøret af

(a) If the Employee's employment with the Company is terminated, without the

ansættelsen har været rimeligt begrundet i Medarbejderens forhold;

Employee having provided the employer reasonable cause (in Danish: "*ikke rimeligt begrundet i medarbejderens forhold*") for such termination);

(b) Hvor Medarbejderen opsiger sit ansættelsesforhold i Selskabet på grund af Selskabets væsentlige misligholdelse af ansættelse forudsat, at Medarbejderen ikke er i væsentlig misligholdelse af sit ansættelsesforhold;

(b) If the Employee terminates his/her employment with the Company due to the Company's material breach, provided that the Employee is not in material breach of his employment agreement;

(c) Hvor Medarbejderen opsiger sit ansættelsesforhold i Selskabet af andre grunde end på grund af Selskabets væsentlige misligholdelse forudsat (i) at Medarbejderen har været ansat i Selskabet i 5 år og (ii) at Medarbejderen ikke er i væsentlig misligholdelse af sit ansættelsesforhold.

(c) If the Employee terminates his/her employment with the Company for any other reason than due to the Company's material breach, provided that the Employee (i) has been employed in the Company for at least 5 years and (ii) is not in material breach of his/her employment agreement; or

(d) Hvor Selskabets bestyrelse beslutter, at Medarbejderen skal betragtes som Good Leaver.

(c) If the Company's board of directors decides that the Employee shall be considered a Good leaver.

7.2 Såfremt Medarbejderen fratræder af andre årsager uden at Medarbejderen er Good Leaver ("**Bad Leaver**") bortfalder alle Medarbejderens Warrants (uanset om disse er optjente eller ej) uden yderligere varsel på tidspunktet for Medarbejderens/Selskabets afgivelse af meddelelse om ansættelsesforholdets ophør.

If the Employee resigns due to other reasons without the Employee being a Good Leaver, ("**Bad Leaver**") all of the Employee's Warrants (whether vested or not) become null and void without further notice at the time when the notification of resignation has been given by the Employee or the Company.

8 Ændringer i Selskabets kapitalstruktur

Amendments in the Company's capital structure

8.1 I tilfælde af kapitalforhøjelse, kapitalnedsættelse, udstedelse af konvertible gældsbreve, udstedelse af nye warrants, Selskabets opløsning, udbetaling af udbytte, fusion eller spaltning, forinden Warrants udnyttes, kan der ske efter bestyrelsens skøn regulering af det antal kapitalandele, en Warrant giver ret til at tegne, eller af Udnyttelsesprisen, herunder ved fremtidige tildelinger.

In case of a capital increase, a capital reduction, an issuance of convertible instruments of debt, an issuance of new warrants, the Company's winding-up, payment of dividend, merger or demerger prior to the exercise of Warrants, adjustments may occur of the number of shares that a Warrant entitles the Warrant Holder to subscribe for or the Exercise Price as decided by the board of directors on a discretionary basis.

- 8.2 Såfremt Selskabet måtte indgå i en fusion, spaltning eller lignende, er Warrantindehaveren forpligtet til at acceptere nødvendige ændringer i vilkårene for Warrantindehaverens Warrants, som Selskabets bestyrelse måtte anvise.

9 Omsættelighedsbegrænsninger

- 9.1 De tildelte Warrants er personlige og kan hverken sælges, bortgives, pantsættes, gives i arv, indgå i en bodeling eller på anden måde overdrages til tredjemand hverken frivilligt eller ved udlæg uden bestyrelsens forudgående, skriftlige samtykke.

- 9.2 Ved overdragelse mv. af Warrants eller kapitalandele i strid med punkt 9.1 eller forsøg herpå, bortfalder samtlige Warrants straks uden varsel eller kompensation.

10 Ejeraftale

- 10.1 De tilknyttede rettigheder til de kapitalandele, der udstedes til Medarbejderen som følge af udnyttelse af Warrants er reguleret i Selskabets til enhver tid gældende vedtægter og Key Employee Shareholder's Agreement, som er vedlagt som bilag A ("**Key Employee-Shareholders' Agreement**").

- 10.2 Key Employee Shareholders' Agreement udgør en integreret del af Warrantaftalen og vil automatisk og uden varsel træde i kraft og blive bindende på tidspunktet Medarbejderens udnyttelse af Warrants. Medarbejderen er desuden på påkrav forpligtet til at underskrive andre ejeraftaler, der træder i stedet for Key Employee Shareholder's Agreement, såfremt sådanne ejeraftaler er på materielt samme vilkår som Key Employee Shareholders' Agreement.

11 Skattemæssige forhold

- 11.1 Selskabet og Medarbejderen har specifikt aftalt, at ligningslovens § 7 P skal være gældende for Warrantaftalen i videst muligt

If the Company might be involved in a merger, a demerger or the like, the Warrant Holder will accept any necessary changes to the terms and conditions of the Warrant Holder's Warrants as directed by the Company's board of directors.

Transfer restrictions

The granted Warrants are personal and cannot be sold, disposed of, pledged, inherited, be part of a division of property or transferred to a third party in any other way, neither voluntarily or through a charge, without the prior written consent of the board of directors.

In the event of a transfer etc. of Warrants or of shares in violation of section 9.1, or an attempt hereto, all Warrants granted are lost immediately without notice or compensation.

Shareholders' Agreement

The appertaining rights to shares, which are issues to the Employee as a consequence of the Employee's exercise of Warrants are governed by the applicable articles of association of the Company and the Key Employee-Shareholders' Agreement, enclosed as schedule A (the "**Key Employee-Shareholders' Agreement**").

The Key Employee-Shareholders' Agreement forms an integrated part of this Warrant Agreement and will automatically and without any notice enter into force and become binding on the Employee upon the time of the Employee's exercise of Warrants. In addition hereto, upon request, the Employee is obligated to accede to and sign other shareholders' agreements in so far as such agreements are on materially the same terms as the Key Employee Agreement.

Tax

The Company and the Employee have specifically agreed that the Tax Assessment Act, section 7 P, shall apply to this Warrant Agreement to

omfang. Enhver skattemæssig konsekvens for Medarbejderen hidrørende fra Warrants er Selskabet uvedkommende.

the widest extent possible. Any tax-related consequence for the Employee relating to the Warrants is of no concern of the Company.

12 Økonomiske aspekter af deltagelse i warrantprogrammet

Financial aspects of participation in the warrant programme

12.1 Tildelingen af Warrants – dog anderledes for udnyttelsen af Warrants – har ingen umiddelbare økonomiske konsekvenser (om end mulige skattemæssige konsekvenser, jf. pkt. 11) for Medarbejderen.

As opposed to the exercise of Warrants, the grant of Warrants will not have any financial implications (however, there may be tax implications, see clause 11) for the Employee.

12.2 Værdien af Warrants indgår ikke i beregningen af feriepenge, pensionsbidrag eller øvrige vederlagsafhængige ydelser.

The value of the Warrants is not included in the calculation of holiday allowance, pension contribution or other remuneration.

12.3 Warrants er et finansielt instrument, som ikke indebærer garanti for gevinst i forbindelse med udnyttelsen. Warrantindehaveren påtager sig ved udnyttelsen af Warrants risiko for at miste hele det beløb, der tegnes kapitalandele for afhængigt af udviklingen i Selskabet.

Warrants are financial instruments, and there are no guarantees for gains in connection with exercise thereof. When exercising Warrants, the Warrant Holder undertakes the risk of losing the entire amount for which shares have been subscribed for depending on the development of the Company.

13 Fortrolighed

Confidentiality

13.1 Selskabet og Medarbejderen er forpligtede til at holde Warrantaftalen og dens indhold fortroligt medmindre: (i) Parterne skriftligt har erklæret sig enige om videregivelse, (ii) videregivelse følger af lovgivningskrav, eller kræves af en kompetent domstol, eller en markedsplads (børs), eller anden offentlig myndighed, (iii), informationen allerede var offentlig tilgængelig, (iv) informationen bliver offentlig tilgængelig på anden måde end ved brud på denne fortrolighedsbestemmelse, (v) informationen er videregivet til den meddelende part af en tredje part, der har haft retmæssig adgang til at modtage og videregive informationen, eller (vi) informationen er udviklet af den meddelende part uafhængigt af indholdet i Warrantaftalen.

The Company and the Employee undertake to keep confidential the contents of this Warrant Agreement, except: (i) where the Parties have declared in writing agree on disclosure (ii) where disclosure is required to be given by law, a court of competent jurisdiction, a securities market or any administrative, regulatory or governmental authority or body, (iii) where the information was available in the public at the time of disclosure, (iv) where the information becomes available to the general public other than as a result of any non-compliance with this clause, (v) where the information is provided to the disclosing party by a third party who is lawfully in possession of such information and has a lawful right to disclose it, or (vi) where the information was developed by the disclosing party independently of this Warrant Agreement.

14 Lovvalg og værneting

Choice of law and jurisdiction

14.1 Warrantaftalen og ethvert krav, der udspringer heraf eller i forbindelse hermed, er underlagt dansk ret.

This Agreement shall be governed by and construed in accordance with the substantive laws of Denmark disregarding any principles on the choice of law.

14.2 Tvister afgøres ved de danske domstole.
